my case in traffic court however I was

**COMPLAINT**

Unreasonable Search and Seizure and  
violation of my Fourth Amendment to  
the US Constitution. This is the listed officer  
badge number on my tickets that I  
received on May 31<sup>st</sup> 2020 on the  
3400 N. Block of OLcott after  
driving home from the grocery store  
to be ambushed, and attacked by the  
Officers attached to these tickets. I  
was falsely arrested and said to not  
have a valid drivers license or  
insurance which was a lie. After  
bonding out of jail I presented my valid  
license to the pound to retrieve my  
car and I used the same information  
to beat my case in ~~traffic~~ court.
